WELCOME TO BLUE LUNAR

Proudly presenting the most delicious Asian fusion dishes made with fresh ingredients. Every dish offers a unique and delightful experience to be enjoyed. Excited to welcome you with a friendly greeting and a menu filled with delicious dishes. Our team offers a variety of Asian and Eastern cuisines to please every plates.

Our chef Mr. Bob began cooking from young age, learning from his mother and grandmother. After his family moved to Australia in 1999, he started his first job in the family's restaurant and honed his culinary skills. Following the family's decision to close the restaurant, he moved on to work in various five-star hotels around Sydney. After many years in the hotel industry, he decided to open his own restaurant in Gosford with his younger sister and brother called "Blue Lunar".
